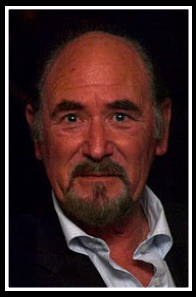
GUY CATER

1997: FIRST HYPNOTIST IN THE WORLD TO PERFORM IN SINGAPORE

2005: FIRST HYPNOTIST IN THE WORLD TO PERFORM IN RAROTONGA

2006: FIRST NEW ZEALAND HYPNOTIST TO HEADLINE IN LAS VEGAS



It was an important day for Americans …11th September 2006. I t was the 5th anniversary of the attack on the Twin Towers … and also for Kiwi Comedian and Hypnotist Guy Cater. That night he headlined at the famous Riviera Hotel and Casino on the Strip in Las Vegas. He played the Le Bistro Theatre in the Riviera. Just the one night but a lifelong dream came true for Guy. Las Vegas is the Mecca for all performers and Guy achieved it. As a result of this night, Guy was booked to appear at both The Las Vegas Hilton Hotel and at The Palace Station Hotel and Casino.

In 2009, he left New Zealand fresh on the heels of Hypnotising ex-All Black and ex-Warrior and current television celebrity, Matthew Ridge on TV One's popular show 'A Game of Two Halves' and appearing on TV3's 'Pacific Beat Street' program. In June 2009 and July 2010, he hypnotized many of the WARRIORS rugby league players at two charity events organised by Sir Peter Leitch KNZM, QSM (The Mad Butcher), and both played on the Maori Television channel over two weeks.

Guy truly is New Zealand's International Comedy Entertainer …in the last three years alone he has performed corporate shows in Dubai in the United Arab Emirates, Port Morseby in Papua New Guinea, Macau in China, Bangkok in Thailand, Hong Kong, Australia (including one at the famed Sydney Opera House), had nine trips to Singapore and performed public shows in the Cook Islands. Each year, with wife Cynthia, he spends two to three months in the USA performing at Grad Nights throughout California and Cynthia's native Wyoming plus performing at County and State Fairs in Oregon, Iowa, Wyoming and California and in Casinos in Las Vegas… plus Corporate Functions and Comedy Clubs all over.

Guy is a recipient of the sought after BENNY AWARD (pictured right) .. This is the highest accolade given by the Variety Artists Club of New Zealand and he has twice won their COMEDIAN OF THE YEAR award… and in October 2007 he won the AGNEW AWARD FOR EXCELLENCE IN PERFORMANCE and was inducted into the Variety Artists Club of New Zealand's Hall of Fame. .

CYNTHIA CATER

Born and raised in the wilds of Wyoming, USA - Cynthia spent twelve years in the hospitality trade in San Diego, California before traveling to New Zealand to bicycle the length of the country, with a friend, and then returned to Wyoming where she married. Several years later, after her husband's untimely death, she returned to New Zealand to start a new life. There she met Kiwi widower Guy Cater - and, as they say - the rest is history!!
Guy and Cynthia married in 2002 and share a strong and loving bond that helps in their busy and much traveled lifestyle.

Cynthia has a wicked sense of humor and an ability to talk to people of all ages and all nationalities. Only a year after her arrival in New Zealand (2000) she became the Secretary of The New Zealand Variety Artists Club and when she retired from that position in November 2008, the club made her a presentation of a Scroll of Honour, at their annual awards night, for her ***'untiring and unselfish work for the Variety Artists Club of New Zealand and the New Zealand Entertainment Industry'***. Cynthia is now the Events Co-ordinater for the Variety Artists Club of New Zealand.

Cynthia looks after the bookkeeping side of Guy's business and also is Guy's sound and lighting technician for the show and often takes part acting as Stage Hostess or performing character roles in the Hypnotism Show.

WHAT THEY HAVE TO SAY

I've used Guy many many times for both his Hypnotism Shows and Comedy Shows and to be fair, I reckon he is great. I have had him perform for the mighty Vodafone Warriors several times and they think he is great too.

Dear Guy,
Just a note to sincerely thank you for the most wonderful evening of entertainment. Your Comedy Show had everybody in fits of laughter...and as for the Hypnotism show, as one of the participants I can say I found the experience exhilarating and the audience found it just so funny. Our delegates and staff are still talking about your show and you helped immensely in lightening the mood of a very heavy conference. If you ever need a reference I would unhesitatingly be pleased to provide one for you.
All the best for the future and once again, many many thanks. You were brilliant.
